

ANTI-BRIBERY POLICY & VALUE STATEMENT

As a Group, Pendragon maintains relationships with many stakeholders. Among them are commercial organisations and individuals, including both public officials and business executives, who are in a position to exert influence over decisions that materially affect the interests of Pendragon and its Group's businesses.

In the light of the general law on bribery and corruption, and, more specifically, the Bribery Act 2010, Pendragon has adopted a statement of our corporate value on anti-bribery. The value statement governs all our business dealings and the conduct of all persons or organisations who are appointed to act on our behalf.

We request all who have, or seek to have, a business relationship with Pendragon and/or any member of our Group, to familiarise themselves with our Anti-bribery value statement and to act at all times in a way which is consistent with our Anti-bribery value statement.
